

We are looking for a volunteer to support us with ongoing monitoring & programme evaluation.

## What will you do?

You will provide knowledge and support on monitoring & evaluation processes, designing and conducting surveys and interviews with young people and volunteers.

## Who are we looking for?

You will be proactive, professional and reliable. You will have excellent verbal and written skills. Previous experience of working/volunteering in the charity sector in research/evaluation is desirable but not essential.

## How will you be supported?

You will be directly supported by our Volunteer Manager.

A one hour induction at CYP will also be scheduled at your convenience. You will report to our volunteer manager who will provide ongoing support to answer questions and offer assistance as required.

Office based -  
Copenhagen Youth Project, 172 Copenhagen Street, N1 0ST

3 hours a week on Mondays

minimum six month time commitment
